Modular design allows quick, easy changes and reconfigurations for long-term flexibility. Desk, return and credenza shells are non-handed for use left or right, except corner and P-Top units. Shells ship flat for easy handling and protection; simple assembly required. Pedestals are front locking for use left or right and ship assembled for immediate use. Wood finish drawers provide an elevated level of detail. Five-sided drawers feature replaceable fronts and operate on smooth-action, steel-ball-bearing slides. File drawers are full-extension with pre-installed hardware for legal/letter filing.
