New ECH14517BT / EXH14517BT series

Systems *IN STOCK*

Full-featured, commercial grade

67"H & 53"H White finish & raceways

Systems *IN STOCK* is a unique, contract-quality panel system with sleek, rectilinear design in modern colors. It is a full-featured system with a new flush base built to stringent industry standards. Because it is IN STOCK for immediate shipment, we selected neutral Metallic Silver & Gloss White finishes, complementing Drift, a versatile grey/beige fabric. Ensuring long-lasting value, components are constructed with commercial-grade materials. Steel and aluminum feature powdercoat finishes. Backed with a limited lifetime warranty.

Burch PrimeTime Spring #1010097 fabric

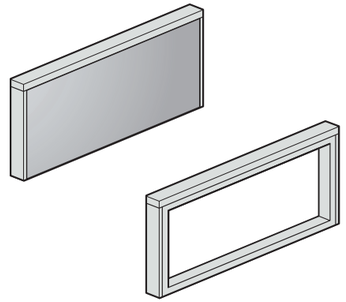

Full Featured, Commercial Grade

All panels feature strong, stress-skin core construction, resulting in lightweight durability that passes rigid industry standards. Overhead shelves and flipper-door cabinets are constructed with 100% metal materials and fully supported by panels when loaded. The entire system is UL Listed, requiring rigorous testing. In addition, the electrical system is UL Registered, a separate component standard.

Panels are fabricated to order at our California and New Jersey facilities. Special requests are accommodated whenever possible; contact your project manager with any special requests.

Panel Heights: 85”, 67”, 53” & 39”
Panel Widths: 24”, 30”, 36”, 42” & 48”
Worksurfaces: 15 sizes of stock laminates; any size/shape in custom laminates

Segmented panel design provides you with the design freedom to create one-of-a-kind aesthetics. Our 14”H segments are available in framed/clear glass and in any fabric.

Panels can be constructed with segments single-stacked, double-stacked or combined for a myriad of possibilities. Each segment attaches with a metal panel/segment joiner in matching paint finish. Together, this creates the appearance of a frame-and-tile system in a contemporary, thin-profile design and at substantial savings.

Single-segment panels are available 53”H or 67”H. Double-segmented panels are available 67”H or 85”H.

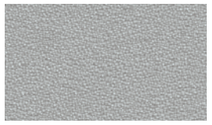

*F*rameless clear and frosted glass can be mounted to the top of a panel for an alternative aesthetic.
